CSI		\$15.00
CSWI		\$6.00
Sales Tax		\$3.23
TOTAL:		\$158.03

Change From Previous Year: \$17.97 12.83%

DEFINITIONS

CWI: The Community Water Initiative will support a variety of capital improvements to the City's Water system, including replacement of the current 40 year-old water treatment plant.

CSI: The Community Sewer Initiative will support a variety of capital improvements to the City's Sanitary Sewer system, including replacement of the waste water treatment facility due to DNR regulations.

CSWI: The Community Storm Water Initiative will support a variety of capital improvements to the City's Storm Sewer system to address street flooding due to wet weather events.

**Please Note: Your bill may appear different than the examples listed due to your usage or the services to which you have access.*

***Water and sanitary sewer rates will increase by 3% per year to cover increased costs for operations and maintenance. Storm water rates will increase by \$0.20 per year for the same reason.*

****Garbage and recycling rates may be adjusted in future years depending on changes to the consumer price index and Ankeny Sanitation's potential rate increases.*
