Item 4-A. The American Legion has asked the City to update/revise the Oakdale Cemetery regulations to be friend to their flag placement program. The proposed update is in this packet. This is an action item, and I am looking for approval to add this to the Oakdale Cemetery policies.

Item 4-B. Construction continues on Southbridge Park. The 2nd phase of the retaining wall recently finished up. Next will be a sidewalk entrance to the park and then pea gravel and mulch.

Item 4-C. The City has begun to receive reimbursement money from FEMA for damage related to Spring Flooding in 2019. Repair work on the roads and camping pads recently wrapped up.

Item 4-D. We are planning on having a Movie in the Park on Saturday, July 25th. There is currently a poll on-line for residents to 'vote' on which movie they would like to see.

Item 4-E. Sadie Mudder, Aquatics/Rec. Supervisor will be giving an update on the season.

City Staff has seen a big increase in dead or dyeing Ash trees in Adel. It appears the Southern party of the City is a bit worse for the destruction that can be cause by the bug. Staff has met with some residents that have infected trees that are classified as city owned trees.
