

N. 15TH Street Bridge Replacement
PROJECT UPDATE

May 28, 2024

Dear Project Stakeholder,

On behalf of the City of Adel, I am providing an update on the N 15th Street Bridge Replacement project that will be taking place in your vicinity. As part of our commitment to transparency and community engagement, we want to keep you informed about the details of the project and its potential impact on your property and the traffic patterns in the area.

The Contractor on the project has informed us that construction on the project will begin June 3, 2024 and will continue throughout the remainder of 2024. During this time, the roadway/bridge will be closed to traffic. A detour will be in place during the closure period.

We understand that you may have questions or concerns about the project, and we encourage you to reach out to McClure Engineering's Project Manager, Brian Sandberg, PE, at 515.964.1229 or email at bsandberg@mcclurevision.com. Our team will be more than happy to address any inquiries you may have. Additional contacts for the project are as follows:

Elias Else, PE; Project Manager; Herberger Construction; 515.961.5564

Brian Meyer, PE; Construction Manager; McClure Engineering; 641.745.7377

Dan Nixon; Construction Observer; McClure Engineering; 515.979.3837

We appreciate your understanding and cooperation as we work towards the successful completion of this project. We value our relationship with the community and are committed to ensuring that the project is executed with the least possible impact on residents.

Thank you for your time and cooperation.

Sincerely,

McClure Engineering Company
